AYURVEDA

Ayurveda, the traditional Indian medicinal system for healing, is not only used to treat diseases but is the complete way of life. Ayurvedic theory states that everything in the universe is connected and emphasis is placed on the prevention of body ailments in addition to curing them. It is the most natural way to refresh, eliminate toxic imbalances from the body, and to regain resistance and good health.

Softouch Ayurveda operating at Le Méridien Al Aqah Beach Resort combines Ayurveda tradition, quality, hygiene and luxury.
